

# Continuing Your LegalShield Coverage After Employment Ends

As a LegalShield Member, you can continue coverage after ending employment and keep your current price and benefits. **Please call LegalShield at 1-888-807-0407** or mail the attached payment form within 45 days of your last date of employment, otherwise your coverage will automatically cancel.

Choosing whether to continue coverage is a personal decision and will depend on your circumstances. Here are a few things to consider:

- Because you are enrolled in LegalShield through a group plan, coverage and pricing are often more favorable than other legal plans you can purchase individually. Your monthly rate is \$22.00
- If you do not continue this group coverage within 45 days, you generally cannot re-enroll at the same price and coverage terms later.
- If you choose to continue coverage now, you can cancel at any time in the future.
- Accessing legal guidance independently without a legal plan can be expensive. The average hourly cost of a lawyer is \$300 an hour.\*
